

## Electronic Communications Disclosure:

Please read this Electronic Communications Disclosure ("eCommunications Disclosure") thoroughly - It contains important information about your legal rights. This eCommunications Disclosure covers all of your accounts, products, and services with Peoples Bank (collectively, "we", "us", and "our") accessible, either currently or in the future, through Online Banking (whether accessed through a personal computer or mobile device, sometimes referred to as "Mobile Banking"), our websites, or other electronic means. This includes, but is not limited to, the following account, product, and service types: deposit accounts, loans, and other services. The words "I", "you" and "your" mean each account holder, product owner and/or service user identified on an account, product or service.

### (1) Your Legal Rights

Certain laws and regulations require us to provide specific information to you in writing, which means you have a right to receive that information on paper. We may provide such information to you electronically if we first present this eCommunications Disclosure and obtain your consent to receive the information electronically. Your consent will also apply to any other person named on your account, product or service, subject to applicable law. Since some of our accounts, products or services are provided online and use electronic means to deliver some of this information, you must consent to this eCommunications Disclosure in order to use these services. At times, we may still send you paper communications, but as a basic proposition we need to know that you are willing to receive communications electronically that we may otherwise be required to provide on paper and that you have the hardware and software needed to access to this information (in Section 3 we explain ways to obtain selected disclosures or other information on paper even after you have consented to this eCommunications Disclosure).

### (2) Types of Electronic Communications You Will Receive

Such Communications may include, but are not limited to:

### (3) Setting Your Electronic Communications Preferences

After you consent to this eCommunications Disclosure, you will still be able to set your preferences to receive certain categories of Communications in (1) both electronic and paper format; (2) electronic format only; or (3) paper format only. Setting your Communications preferences may not be available for all products, accounts or services. For more information on the availability of your electronic communications preference management options, please refer to the appropriate electronic communications preference page on the website where you access your Communications. If you decide to receive some Communications in paper and some electronically, the Communications that you receive electronically will be governed by this eCommunications Disclosure.
